## **Small size, big storage, high speed!**

Taking files with you has never been easier! File access from a USB Stick has never been faster! Freecom's new FM-10 Pro USB-2-stick opens new dimensions in terms of storage and data-transfer. Hardly bigger than a car key and available in sizes from 128MB to 2GB; this ultrafast USB-2 device is the ideal way to take files with you and use them on any other PC, notebook or Mac. If your mobile storage is not sealed and designed to resist water and dust, the bid you're working on may be your last. Freecom took the design and engineering a step further ensuring water- and dust resistance by making the FM-10 Pro the ultimate storage solution for use in all conditions!
